Stanley,

I left you a voicemail on this as well. I write regarding the new complaint filed by your client, Mr. Borg, against Principal Life and Target. First, it appears that we were only served with a part of the complaint (3 pages of a larger document). Please forward a complete copy of the complaint to us as soon as possible. Second, we have only just gotten a copy of the complaint. In view of that and given the fact that we have only received a partial copy of the complaint, we request that Plaintiff grant Defendants a 30 day extension of time to respond, until Monday, August 16, 2007.

Please let me know your position on this as soon as possible. Thank you.
